

long term care insurance

CMV
FINANCIAL CORP

With Long Term Care Insurance you don't have to worry about becoming a burden on your loved ones if you lose your independence because of an accident or an illness like cancer, stroke or Alzheimer's disease.

- You will receive a tax free monthly benefit if you lose your independence due to physical or mental limitations following an illness or accident
- You can use the benefit however you want, to hire assistance to remain at home, or for a private long term care facility.
